November 2020

Dear Parents/Guardians,

Thank you for considering Noanet Nursery School for your child for the 2021-2022 academic year. We are excited to start the new school year and hope you will join our school community. Our school motto is "Building Character Together", and we can't wait to start building, playing, and learning together!

If you would like to reserve a place for your child at Noanet Nursery School, a visit to our school initiates your enrollment process. We would like you to see our bright and cheery classrooms, our spacious hallway cubbies, and our wonderful outdoor play space. For each child you would like to enroll, we ask that you submit the following completed forms (you may fill out the forms at the time of your visit or take them home and return them later in person or via mail to P.O. Box 535, Dover, MA 02030):

1. Child's Face Sheet / Enrollment Form 2021-2022
2. Morning Program Daily Schedule Preference Form 2021-2022
3. Non-refundable Enrollment Deposit equal to 10% of Morning Program Tuition

We are accepting enrollment applications for children who will be 2.9 years old through 5 years old as of September 1, 2021. The structure of our morning program reflects our philosophy that consistency is important for children while flexibility is important for families. Our enrollment options are for five, four, or three days per week with drop off options of 7:30am and 8:30am. Pick up time will be right after lunch at 12:00pm. Our Fun Bunch afternoon program extends your child's day until 2:00pm and is built around a different theme every day of the week. Registration information for our Fun Bunch afternoon enrichment program will be available in the spring.

The schedule below shows our morning program enrollment options and their associated **yearly** pricing. Please note that the **yearly tuition** is based on the 37-week school calendar.
